English For You
INSTITUTION

For the betterment of students' community

CERTIFIED ISO 9001-2015 INSTITUTION

Empowering Generations with Soft Skills

Transforming Lives Through English Language and Soft Skills Training.

ABOUT ENGLISH FOR YOU

At English For You, we are dedicated to shaping lives through the transformative power of the English language and soft skills. We focus on equipping individuals with the knowledge, confidence, and tools they need to thrive in today's globalized world.

We are more than just a training organization, we are a community dedicated to fostering growth and transformation. Our dedicated faculty and trainers are at the heart of everything we do. With real-world industry expertise and a passion for education, they provide mentorship and guidance to our trainees, ensuring that they receive the highest quality training possible.

THE ENGLISH FOR YOU ADVANTAGE

Transformative Training Programs:

We blend academic rigor with practical applications, ensuring students gain valuable life and career skills.

Customized Learning Paths:

Tailored programs address the unique needs of schools and individual learners, from foundational English to advanced communication workshops.

Empowered Trainers:

English For You's trainers are rigorously selected and trained to provide engaging, empathetic, and effective education.

Real-World Impact:

By transforming classrooms at the grassroot level, English For You creates ripples of change, fostering brighter future for students and communities alike.

Focus on Soft Skills:

Beyond language proficiency, our programs emphasize critical thinking, leadership, teamwork, and interpersonal skills essential for success in academics and careers.

HOW WE ADD VALUE TO SCHOOLS

At English For You, we are dedicated to enriching the educational journey through a comprehensive partnership model designed to create meaningful impact. Our approach ensures that every school benefits from tailored, effective, and results-driven training programs.

Signing of MOU:

The partnership begins with a Memorandum of Understanding (MOU), which symbolizes a shared commitment between English For You and the school to foster growth and development among students. This agreement sets the foundation for a strong and collaborative relationship.

Duration and Class Structure:

Year-Long Partnership:
The training program is seamlessly integrated into the school's academic year.

Class Scheduling:
Around 36-42 classes per week are conducted during school hours, providing ample opportunities for students to engage with our soft skills and English language curriculum.

Customized Faculty Allocation:
Trainers are allocated based on the school's specific requirements, ensuring every section is effectively covered.

Culture of Continuous Improvement:

We collaborate with schools to foster an environment of growth and excellence. Our innovative programs and constant feedback loops ensure students, trainers, and schools benefit from our commitment to improvement.

By partnering with English For You, schools can elevate their educational standards and provide students with the tools they need to excel academically and personally.

Student Engagement and Recognition:

We foster a sense of achievement and motivation among students through:
Performance Incentives: Badges, mementos, and rolling trophies are awarded every fortnight to classes that demonstrate outstanding performance.

Cultural Development: Students are encouraged to participate in cultural events and are prepared for compering and anchoring roles during annual day celebrations, boosting their confidence and communication skills.

Senior Trainer Evaluations

To maintain the highest standards of training, a senior trainer evaluates existing trainers every 45 days. This ensures consistent quality, provides actionable feedback, and supports ongoing improvement in teaching methodologies.

MEET OUR TEAM

Mrs. Satya Sri U

Managing Director

A psychologist with a strategic vision, Mrs. Satya Sri leads English For You with a focus on creating impactful learning environments. Her expertise in understanding human behavior enables her to foster positive educational outcomes.
